

DELIVERING
THE ULTIMATE
AMBIENCE

Interior Décor

The inside of your structure allows you the freedom, in conjunction with our designers, to create the correct ambience or deliver the right message for your organisation.

We hold extensive stocks of pleated 2oz Trevira linings, which can be finished with a coloured frieze to match your corporate identity.

To deliver a more unique finish we manufacture and fit to suit a wide range of exciting colours and finishes which will deliver the ultimate look, whether you require a flat minimalist look or fully pleated for a classical finish.

Our hard wall partitioning system can be supplied in a variety of finishes, including natural wood or even wallpapered, giving a solid feel which can incorporate television sets and air conditioning units.

Black-out and starlight linings are used to dramatic effect and together with lighting can be breathtaking.

Whatever your vision, Arena Structures will bring it to reality.

“CREATING THE
RIGHT AMBIENCE
IS OUR EXPERTISE.”

We create the perfect ambience by:

- understanding your event
- selecting the best supply partner to produce innovative, imaginative solutions, delivering tasteful yet practical surroundings regardless of location
